

## Contents

Graph Coloring Using Minimum Number of Colors	<i>Gend Lal Prajapati, Amit Mittal and Neha Bhardwaj</i>	1-3
Simulation of Two Dimensional Navier Stokes Equation	<i>Pradip Kumar Patel and H. Parthasarthy</i>	5-10
IRIS Recognition based on PCA based Dimensionality Reduction and SVM	<i>Upasana Tiwari, Deepali Kelkar &amp; Abhishek Tiwari</i>	11-15
Study and Analysis of Clustering Algorithm for Association Rule Mining	<i>Saket Agarwal &amp; Leena Singh</i>	17-21
Conceptual Cohesion of Classes in Object Oriented Systems	<i>S. Megha Chandrika and E. Suresh Babu</i>	23-28
A New Encryption Algorithm Using Block Cipher Cryptography	<i>Shreyas Pagare</i>	29-34
"A New Virtual Technique as a Physical Visualization in Cloud Computing"	<i>Naveen Gurjar, &amp; Ravindra Gupta</i>	35-39
A Study of Metrics for Class Diagrams	<i>Milap Pathak &amp; Chetan Nagar</i>	41-45
A Review Study of Mining Frequent Patterns from Weighted Traversals on Graph using Confidence Interval Priority	<i>Piyush Kumar Soni, Sumit Nigam Sachin Yele &amp; Ashish Agrawal</i>	47-51
A Study of Research in Web Mining	<i>Devendra Singh Kaushal Yunus Khan &amp; Rachna Dasandhi</i>	53-60
A Survey & Overview on Learning to Adapt Web Information Extraction Knowledge	<i>Sushma S. Nandgaonkar Dinesh B. Hanchate and Abhijeet A. Tekale</i>	61-64
Application of Fuzzy Data Mining in the Prediction of Business Trends	<i>Jugendra Dongre G L Prajapati and S. V. Tokekar</i>	65-69
Association Rule Mining Techniques: A Survey	<i>Anubha Bansal and Bhavna Nigam</i>	71-81
Cloud Computing and its Various Aspects	<i>Bhagyashri Gupta, Mayank Jain Ankur Vaidya &amp; Preeti Chauhan</i>	83-88
"I-Programmes and Career Opportunities World Wide: Emphasizing Indian Scenario"	<i>Prantosh Kumar Paul Bibhuti Bhusan Sarangi Poovammal E., Roheet Bhatnagar Sarmistha Chowdhury and Ramana Chettri</i>	89-94
Firewall: Overview Emphasizing the Architecture and Types that should know an Information Scientist	<i>Prantosh Kr. Paul &amp; Roheet Bhatnagar</i>	95-98
Mobile Adhoc Network: Emphasizing Possible Threats to Future Information Scientist and Technologist	<i>Prantosh Kr. Paul and Roheet Bhatnagar</i>	99-102
Information Science & Technology (IST): Need of New Age Information Centric and Technology & Engineering Dependent Academic Programme for Building Virtualized & Green-Eco Friendly Information Infrastructure	<i>Prantosh Kr. Paul and Minakshi Ghosh</i>	103-107
