In the year 2020, the world was hit with novel coronavirus disease (Covid-19). Lockdown for 21 days was imposed in the country since social distancing was a solution to reduce the spread of the virus. People should stay in their houses and avoid social contact for the lockdown period. Varun, a college student, is a resident of a small town in Kerala. Before lockdown, Varun and his friends used to play cricket at 4 pm every day. At present, as per the direction, he is staying at home and reading his favourite books. On day 2 of lockdown, Varun got a phone call from his close friend Mithun. Mithun told him that their friends were waiting in the ground and asked Varun to come out of the house. He added that since it is a big playing ground, a distance of 1 metre between the players can be maintained while playing the cricket match. Varun was confused and unable to make a decision. He replied Mithun that he would call him back within 10

minutes. Varun discussed the issue with his father. His father asked him to stay at home and asked him to inform the police regarding the cricket match at the ground.

- 6 a) Identify the key players in this case. (3)
- b) What are the choices available to Varun in responding to his father's direction? (5)
- c) What should be Varun's course of action in this case? (5)
- d) How Varun deal with his father and Mithun? (4)
- e) Do you believe that social responsibilities are neglected by any of the key players in this case? Explain. (3)
