

CURRENT SCIENCE

Volume 123 Number 5

10 September 2022

622 **In this issue**

GUEST EDITORIAL

- 623 **Insects for food, feed, pharmaceuticals and therapy: need for development**
S. K. Shrivastava

CORRESPONDENCE

- 625 **KVPY: Pre-mature death in two decades**
Dipankar Chatterji
- 625 **Disposal of medicines**
K. Kesava Rao

NEWS

- 626 **Indian Academy of Sciences, Bengaluru – 33rd Mid-Year Meeting**
S. Priya and Arjun R. Krishnan

628 **Current Science Reports**

SCIENTIFIC CORRESPONDENCE

- 632 **Current need for identifying and preserving pigments in the prehistoric cave paintings of India**
Chandra Sekhar Mohanty and Rojalin Pattanayak
- 633 **Coloured bivalves from the Middle Eocene of Kutch, India**
Rosina Syed, Sampa Sarkar and S. Sengupta

GENERAL ARTICLE

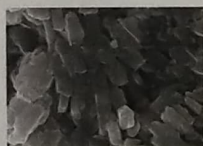

- 635 **India's management and governance in protecting the stratospheric ozone layer**
Garima

REVIEW ARTICLE

- 642 **Nanoparticles mitigate arsenic stress in plants by modulating defence mechanisms**
Thorny Chanu Thounaojam, Zesmin Khan, Thounaojam Thomas Meetei, Sanjib Kumar Panda and Hrishikesh Upadhyaya

RESEARCH ARTICLES

- 650 **Multifunctional toxin phospholipase A₂ (PLA₂) in *Naja oxiana* venom, a promising target for 2,5-disubstituted-1,3,4-oxadiazole derivatives**
Rabia Tariq, Ejaz Ul Hassan, Moeen Anjum, Muhammad Nawaz Khan, Zaman Ashraf, Fiaz Alam, Abdul Mannan, Muhammad Imran Amirzada and Muhammad Hassham Hassan Bin Asad
- 658 **Physiological, biochemical and molecular manifestations in response to seed priming with elicitors under drought in cotton**
Himanshu Kumar, Pooja Verma, Suchit A. John and D. Blaise
- 667 **Can farm mechanization enhance small farmers' income? Lessons from Lower Shivalik Hills of the Indian Himalayan Region**
Pinaki Roy, B. S. Hansra, R. R. Burman, Sangeeta Bhattacharyya, T. N. Roy and Rouf Ahmed

- 677 **Traffic noise pollution assessment along the Ring Road of Kathmandu Valley, Nepal**
Reeta Singh, Dipesh Raj Pant and Resham Baniya
- 687 **Risk assessment of drowning incidents at Aksa Beach, Mumbai, India**
Deepali Gadkari and Subhankar Das
- 694 **Weaver ant, *Oecophylla smaragdina* (Hymenoptera: Formicidae) headspace volatiles deter oviposition in female Oriental fruit fly, *Bactrocera dorsalis* (Diptera: Tephritidae)**
P. D. Kamala Jayanthi, P. Saravan Kumar and Meenal Vyas

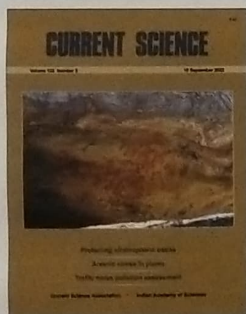

RESEARCH COMMUNICATIONS

- 703 **Observation of bee pollinators (Apoidea) on a medicinal plant, *Lippia alba* (Mill.) (Verbenaceae)**
A. Rameshkumar, S. Sardar, B. Majumder, S. Dey and S. I. Kazmi
- 707 **Is crop diversification vulnerable to climate, agricultural and socio-economic factors in Himachal Pradesh, India?**
Pardeep Singh, Pradipkumar Adhale, Amit Guleria and Manoj K. Vaidya

BOOK REVIEWS

- 712 **Pediatric Reference Intervals, Eighth Edition.** Edward C. C. Wong, Carlo Brugnara, Joely Straseski, Mark D. Kellogg and Khosrow Adeli; *reviewed by* Sweta Shivashanker and Jayashree D. Kulkarni
- 712 **Annual Review of Phytopathology, 2021.** Jan E. Leach and Steven E. Lindow (eds); *reviewed by* R. Sridhar
- 715 **Saraswati: The River Par Excellence.** S. K. Acharyya, Kunal Ghosh and Amal Kar (eds); *reviewed by* S. K. Tandon

- ◀ **COVER.** Cave painting of Bhimbetka rock shelters, Madhya Pradesh, India. See page 632.
