

Indian Journal of Systems Engineering and Electronics

Volume 12, Number 1 (2023)

Contents

- Performance Evaluation of Three-Phase Induction Motor Drive Fed from Zn-Source Inverter** 1-22
Mahima Sharma¹, Mahendra Lalwani²
- An Automated Attendance Monitoring by Using Image Processing Technology** 23-27
¹Mudide. Ramprasad, ²K.Srinivas and ³Talari.Gangadhar
- A Real Time Implementation of Novel Reactive Power Compensation using D-STATCOM** 29-34
D.Kalidas and R. Elangovan, M.E.
- Crowd Density Estimation Using Image Processing: A Survey** 35-54
Sneha.P.K, Rabichith, Sri Nithya S, Surekha Borra
- Design and Fabrication of Low Voltage Inductive Tuned RFMEMS Capacitive Switches for X and Ku bands** 55-73
E S Shajahan and M S Bhat
- Optimized Segmentation of Tissues and Tumors in Medical Images using AFMKM Clustering via Level Set Formulation** 75-92
Ch Kalyani¹, Kama Ramudu² and Ganta Raghotham Reddy³
