CONTENT

1. Digitization –A Study with Reference to Customer Satisfaction towards E-Banking	1-8
<i>Shaifali garg</i>	
2. A Survey on Services Provided by Various Cloud Providers	9-19
<i>Avinash Kaur, Vishali Wadhawan and Pooja Gupta</i>	
3. Novel Hashing with Reduced Collision – Fast Hashing Algorithm (FHA).....	21-28
<i>R. Augustian Isaac and Subashree Sundararajan</i>	
4. Implementation of PHM System using IoT and Raspberry Pi	29-38
<i>B. Sandhya Rani and N. Venkatram</i>	
5. Aspects of Comprehension of Punishment and its Objectives in the	39-46
<i>Criminal Legislation of the Republic of Kazakhstan</i>	
<i>Talgat Akimzhanov and Zhanar Baybek</i>	
6. A Data Mining Approach for Managing Asthma in Children Using	47-53
Level Based Analysis	
<i>K. Kasturi and S. Prasanna</i>	
7. Enhancement in Power Quality using PFC CUK Converter FED	55-71
BLDC Motor Drive	
<i>P. Ebby Darney, B. Dora Arul Sehi, T. Sreedhar and E. Aswini</i>	
8. Determination of the Error of Approximating the Displacement Mould	73-82
Curve with an Analytically Specified Function	
<i>Mikhail Georgievich Vystrechil and Sergey Urievich Novozhenin</i>	

Banking has become a major delivery channel for banks. Mobile banking is emerging as the most popular delivery channel, which is all set to explode as the numbers of mobile users are increasing rapidly. Banking is no longer restricted to the brick and mortar outlets. Banks are providing various services through provided with additional delivery channels. Internet banking, mobile banking, ATM's etc. can be used with their expectation and requirements. Each of these channels has its own unique advantage in terms of convenience, improved customer services and reduced transaction costs. Out of various delivery channels, e-banking has taken the lead and has become the most popular and convenient mode of banking among the elite, educated and networked customer. It enables the customers to perform basic banking transaction through their PCs, laptop, internet etc irrespective of their bank's location anywhere in the globe.
